During that period, all airports on the French Riviera, will have lots of traffic, including business Aviation but Airlines as well. **Nice / LFMN** remains the main airport of access but all other airports in the area are impacted.

**Nice / LFMN** : Usual slots / PPR are in place, parking in LFMN can be an issue on certain dates.

Requested slots may not be available, local authorities will propose the closest slots available if needed. Last minute changes can be not accepted due to the need of parking for another aircraft. Traffic is high, so delays in getting services like fuel can happen, airlines have priority on business aviation.

***(Nice / LFMN continued)***

In LFMN, Slots request for this period will be open from march 18<sup>th</sup>; airport authorities will not answer before April 8<sup>th</sup>. All is working on a first arrived first served basis. But please remember any changes will bring you back on the bottom of the list ( and / or with less choice of slots ) and once the change is requested all is lost ( parking / slot / PPR ).

**Cannes / LFMD** : It is the closest airport for Cannes city. Coordinated airport with slots / PPR in place. From May 14<sup>th</sup> 0600z to May 27<sup>th</sup> SS +30 min. PPR to be indicated in FPL ( RMK/ASL(slot ID) for arrival and departure ). FPL ETA / ETD MUST match given slot time.

**Toulon / LFTH** : Toulon airport also have slots and PPR in place during busy period; parking can be an issue.

**Le Castellet / LFMQ** : Le Castellet can be used as parking. CIQ can be an issue as they do not accept non Schengen flights.

**Marseille / LFML** : Good alternate for parking if needed, but LFML is also having airliners.

**Avignon / LFMV** : Good airport for parking, no airliners.

**Lyon / LFLL** : Lyon is a good alternate for parking, around 30 min flight time from LFMN. Lots of parking and hotels in the City.

**Genoa / LIMJ** : Also a good alternate in Italy.

For all the cities in the French Riviera, hotel accommodation during this period can be a problem, with major hotels being sold out very quickly. Booking should be planned as soon as possible.

Of course traffic in Nice and the area, especially during the F1 GP race, will be heavy with driving time being longer than usual.
